## Foreword

This standard corresponds to the Codex Stan 156-1987 (Amendment 1989) (Codex Standard for Follow-up Infant Formulas) issued by Codex Alimentarius Commission (CAC). The consistency level between this standard and Codex Stan 156-1987 is non-equivalent. This standard is in reference to Chinese Dietary Reference Intakes compiled by Chinese Nutrition Society in 2000.

This Standard replaces GB10767-1997 *General Technical Regulations for Infant Blended Milk Powder and Infant Completed Grain Flour*, GB 10769-1997 *Formulated Weaning Foods for Infants and Young Children* and GB 10770-1997 *Supplementary Weaning Foods for Infants and Young Children*, as well as their amendments.

Comparing with GB10767-1997, GB 10769-1997 and GB 10770-1997, the following main changes have been made to the Standard:

—— Integrate the above three standards to one, titled as “Older infants and young children formula”

—— Provisions therein are modified.

The original editions replaced by this present National Standard include:

——GB 10767-1997;

——GB 10769-1989, GB 10769-1997;

——GB 10770- 1989, GB 10770-1997.

# National food safety standard

## Older infants and young children formula
