Foreword

5.1.4, 5.2.3, and 5.3.12, which are among the regulatory technical elements in this Part of GB 5296 are recommendatory, and the rest are mandatory.

GB 5296 is divided into 7 parts under the title of “Instructions for Use of Products of Consumer Interest” :

- Part 1: General Principles
- Part 2: Household and similar electrical appliances
- Part 3: General labelling for cosmetics
- Part 4: Textiles and apparel
- Part 5: Toys
- Part 6: Furniture
- Part 7: Sports equipment

This Part is Part 2 of GB 5296.

This Part constitutes a second revision of GB 5296.2-1987 based on the provisions of GB 5296.1-1997 “Instructions for Use of Products of Consumer Interest — Part 1: General Principles”. This Part replaces GB 5296.2-1999 from the date of implementation.

The main difference between this Part and previous version are as follows:

- Add Chapter 3 “Terms and Definitions”;
- Add the following contents to 4.1: “The basic contents and general requirements of the instructions shall comply with the provisions of GB 5296.1.”
- “Main technical specifications of the product” was changed into “Product safety norms” (4.1.3 of previous version, 5.1.3 of this Part);
- Deletes “Product quality test compliance certificate” and “Product safety verification” (4.1.7 of previous version, 4.1.8 of this Part);
- Changes product “producer” to “manufacturer (4.1.6, 4.2.7 and 4.3.9 of previous version, 5.1.6, 5.2.7 and 5.3.9 of this Part);
- “Graphical markings” was changed into “Storage and transportation markings” (formerly 4.2.5 of previous version, 5.2.5 of this Part);
- The following clauses to “Precaution labelling shall take into account the following” was added in 5.3.6: “Products that have safety expiration requirements shall be clearly labelled with the product safe use period in the form of a safety warning;” and “Environmental pollution resulting from improper handling or disposal” and other such contents;
- 6.3 “Information provided with the product” also includes, in addition to “provide basic requirements and precautions included in paper instructions for use,” “other non-paper media (such as optical distances and corporate websites) contents”.

This Part shall be used in combination with GB 5296.1 “Instructions for Use of Products of Consumer Interest — Part 1: General Principles”.

This Part was proposed by, and is under the jurisdiction of the National Technical

Committee on Services of Standardization Administration of China.

Chief drafting organization of this Part: China National Institute of Standardisation, China Household Electrical Appliances Research Institute, Haier Group, Hisense Group, Little Swan Co., Ltd., Midea Group, Panasonic Corporation of China and Philips (China) Co., Ltd.

Chief drafting staffs of this Part: Zuo Peilan, Zhu Yan, Wang Shichuan, Wang Haijun, Liu Zhixu, Wang Yali, Chen Ziliang, Xu Fenming, and Cao Zhenwei.

The previous editions of the standards replaced by this Part are as follows:

- GB 5296.2-1987
- GB 5296.2-1999.

Instructions for Use of Products of Consumer Interest — Part 2: Household and Similar Electrical Appliances

消费品使用说明 第2部分 家用和类似用途电器

1 Scope

This Part of GB 5296 specifies basic principles, basic requirements, labelling information, and labelling requirements for instructions for use of household and similar electrical appliances.

This Part applies to the compilation of instructions for use of household and similar electrical appliances.

2 Normative References

The following normative documents contain provisions which, through reference in this text, constitute provisions of this Part of GB 5296. For dated references, subsequent amendments to, or revisions of, any of these publications do not apply. However, parties to agreements based on this Part are encouraged to investigate the possibility of applying the most recent editions of the normative documents indicated below. For undated references, the latest edition of the normative document referred to applies.
