Replace GB/T 4789.11-1994

Microbiological examination of food hygiene—

Examination of *Streptococcus hemolyticus*

食品卫生微生物学检验

溶血性链球菌检验

Issued on August 11, 2003

Implemented on January 01, 2004

Issued by

Ministry of Health of the People's Republic of China

Standardization Administration of the People's Republic of China

Foreword

This standard is the revision of GB/T 4789.11-1994 "*Microbiological examination of food hygiene-Examination of Streptococcus hemolyticus*"

Comparison with GB/T 4789.11-1994, main changes of this Standard are as follows:

- The format of standard text and the characters were amended according to GB/T 1.1-2000.
- The "Equipments and Materials" in the previous edition was amended and normalized.

GB/T 4789.11-1994 shall be abolished simultaneously from the implementation date of this standard.

This standard was proposed by and is under the jurisdiction of the Ministry of Health of the People's Republic of China.

Chief drafting organizations of this standard: Beijing Epidemic Prevention Station and Chinese Center for Disease Control and Prevention Nutrition and Food Security.

Chief drafting staffs: Liu Yixian, Ran Lu, Fu Ping and Yao Jinghui.

This standard was issued for the first time in 1984, revised for the first time in 1994 and revised now for the second time.
