Foreword

The technical contents of this Standard are all mandatory.

This Standard is implemented on June 1, 2016 with a two-year transition period. The products that manufactured before June 1, 2016 in accordance with relevant standards are allowed to be sold on the market until May 31, 2018.

This Standard is drafted in compliance with the rules in GB/T 1.1-2009.

This Standard is proposed by China National Textile and Apparel Council.

This Standard is centralized by National Technical Committee on Textile Products of Standardization of China (SAC/TC 209) and National Technical Committee on Clothing of Standardization of China (SAC/TC 219).

This Standard is drafted by: Textile Industry Standardization Institute, Development Center of Science and Technology of Textile Industry, National Textile Products Quality Supervision Center, Shanghai Apparel Institute.

Main drafters of this Standard: Xu Lu, Sun Ximin, Fang Xijiang, Zheng Yuying, Xu Jian.

Safety technical code for infants and children textile products

1 Scope

This Standard stipulates provisions of safety technical requirement, testing method and inspection rule of infants and children textile products.

This Standard is applicable to infants and children textile products sold within our borders.

Note: fabrics and stuffed toys, cloth crafts, disposable hygienic products, luggage, handbag and knapsack, umbrella, carpet and professional sportswear are all beyond the applicable range of this Standard.
